RESOLUTION 2019 #119 AIM - State Revenue Sharing

Supervisor Hosler moved and Councilman Macko seconded,

WHEREAS Governor's Cuomo's proposed 2020 NYS Budget includes unprecedented cute to unrestricted State Revenue Sharing program known as Aid and Incentives to Municipalities (AIM) in the amount of 49 million, effectivity eliminating the program, and

WHEREAS, funding has not been increased in the last several years as unfunded mandates and cost of Town and Village services have risen, and

WHEREAS, if these cuts go through, a shocking 91% of Towns and Villages will permanently lose their AIM funding, and

WHEREAS, incentives for shared services, consolidation, and infrastructure remediation directed by consent orders in no way replace the needed financial assistance to fund and manage the increasing costs of day to day services and capital projects needed in sustainable Town and Village planning and management, and

WHEREAS, the proposal to eliminate AIM funding unfairly punishes State residents, making financial planning aligned with the NYS Tax Cap virtually impossible and

WHEREAS, the Governor is proposing to make the Tax Cap permanent, discontinue the $65 Million in Extreme Winter Recovery Program and proposes no increase for CHIPs funding, for which there has been widespread vocal support, and

WHEREAS, the proposal to eliminate AIM funding is not proactive, but a method to cut a small percent from the State Budget, yet a significant amount of revenue to Town and Village budgets, and

NOW, THEREFORE, BE IT RESOLVED: The Town of Evans strongly opposes the elimination of AIM funding, and

FURTHER RESOLVED, the AIM funding benefits all of our residents not only in Erie County but throughout New York State and eliminating it could result in services, program cuts and layoffs.
